Cookie Dough Bites	\$10 ea

About the Gourmet Cookie Dough

The gourmet cookie dough comes from Pine Valley Foods, the leading provider of food products in the fundraising industry. Oven-fresh cookies are an instant hit with everyone, especially when it also means supporting their community. Your supporters have a wide variety of flavors to choose from, made only from the highest level gourmet ingredients.

The convenience of pre-portioned frozen cookie dough make baking super-simple - simply place the per-portioned dough on a sheet and bake! Our frozen cookie dough is packaged in small boxes that makes delivery to your supporters easy. These boxes also stack easily in the freezer until ready to bake - a few at a time, or the whole box.

Cookie dough can be stored at room temperature (66°-77°) for 21 days, refrigerated for 6 months, and frozen for 1 year. It can be thawed and refrozen.

All products are Kosher certified and safe from any peanut butter recall.
